

NEUVILLITES DAY CELEBRATION

“Rooted in values and united in mission, we continue to inspire, serve, and transform lives.”

We the sisters of the good shepherd and the lay mission partners joyfully celebrated Neuvillites Day on 4th September 2026 with great reverence and enthusiasm, bringing the entire community together in a spirit of gratitude and reflection. The occasion highlighted the dedication of the Partners in Mission, who continue to carry forward the vision of our Mother Foundress.

The celebration began with a special prayer seeking God's blessings for all the Partners in Mission. A meaningful highlight of the program was the Renewal of Commitment, during which the teachers solemnly recited the Prayer of Promise, placing their right hand on their chest and reaffirming their dedication to the mission and values of the Good Shepherd tradition. The gathering was further enriched as the Lay Mission Partners sang their anthem together.

The Correspondent, Sr. Aruna George, addressed the gathering and emphasized the importance of the Partnership in Mission Program, especially the need to orient newly joined teachers.

The celebration concluded on a note of renewed commitment and unity. Sister expressed her heartfelt appreciation to everyone who contributed to making the event meaningful and memorable.
